

ALCOHOL BEVERAGE LICENSE APPLICATION - STATEMENT OF INTENT

INSTRUCTIONS

In order to apply for an alcohol beverage license in the Village of Ashwaubenon, the licensee or license agent must sign this Statement of Intent. This document allows the Village of Ashwaubenon to ensure that your license will be used within 90 days of its granting (or within 90 days of the start of the license year for renewal applications).

If you are applying for a new license and construction or remodeling activities will prevent you from operating within 90 days of the granting of the license, please sign below and attach written documentation outlining the duration of such activities and the anticipated first date of operation under the license applied for. The Village Board will then review your request for additional time. If granted, the time granted by the Village Board shall be substituted for the 90 days.

The Village of Ashwaubenon may then grant the license to another applicant.

Under penalty provided by law, the signer states that the above statement has been truthfully provided to the best of the knowledge of the signer.
